In order to participate, all loans must be current and accounts must be in good standing. Loans that have had an extension or payment modification within the last year may not qualify. This offer does not apply to mortgages, home equity loans/2nd mortgages or credit cards. Interest will continue to accrue on your loan during the month you skip your payment. Future claims for credit disability and/or credit life insurance may be affected by participating in this program. Skipped payment will be added to the end of the loan contract. Some restrictions apply.
